

## Bedford Heights Update

**Fletcher D. Berger**  
Mayor/Safety Dir. of  
Bedford Heights

Thanks to our Bedford Heights veterans for coming out to our annual Veteran's Day luncheon Saturday, November 8<sup>th</sup>. We had a wonderful time acknowledging and honoring those who served and/or gave their life in service to our country. If you have not registered your military service with our office, please contact Renee Cole in the Mayor's office (440-786-3214) and provide your name, address and phone number along with your branch of service, years of service and any special achievements and/or medals you've received so that we can be sure to invite you to next year's event.

December 5<sup>th</sup> is the deadline to register for this year's Breakfast with Santa (*for Bedford Heights children ONLY*) which will be held Saturday, December 13<sup>th</sup> from 9:00 am to 12:00 pm at the Bedford Heights Community Center (5615 Perkins Rd). This is a FREE event for Bedford Heights children ages 12 and under. You can either register in person at the community center or online by visiting our website ([www.bedfordheights.gov](http://www.bedfordheights.gov)) and clicking on online event registration under other resources.

I would like to congratulate our Bedford Bearcats Football team on the wonderful season they are having. We wish them the very best throughout the remainder of this season.

There are four new signs on Rockside Road between Aurora Road and Interstate 271 North: "WARNING NO PEDESTRIAN CROSSING." These signs are located on the north side of Rockside Road between Rockside Towers and Trinity Towers and on the south side of Rockside Road between the Speedway gas station and the new Family Dollar store. Ordinance 371.03(c) states pedestrians shall not cross at any place except in a marked crosswalk.

The road construction project on Miles Road between Interstate 271 South and Green Road is now complete. Thank you for your patience.

As a reminder for those seniors now receiving snow plowing service; 1) the snow plows will not be sent out until an active snow event has subsided and 2) snow plows will not be sent out until 3 measureable inches of snow is on the ground during a single snow event. Be mindful that these measurements are taken at several locations throughout the city to make our determination.

We want to wish everyone a joyous Holiday Season.

The next FREE Mobile Food Pantry is scheduled for Saturday, December 20<sup>th</sup>. Please be mindful that this is one week earlier than normal.
